Dear Bryon,

Celebrating 25 Years of Miracles! Your gift of \$_____ will make a difference in the lives of children. More families, like the Hansons will be blessed because you cared enough to give. Your generosity allows Children's Miracle Network to continue its "Mission of Miracles!"

At Sanford Children's Hospital, the region's only Children's Miracle Network hospital, children are at the heart of all we do. Each day sick and injured children come to Sanford Children's for the region's most respected medical care. And, at Sanford Children's, not only does our medical team take care of children, but families, too. Greg and Anne, parents of Olivia and Meredith, received both financial and emotional support while their daughters faced life threatening conditions at birth.

Your support Makes Miracles Happen for Kids! Thank you for making a difference in the lives of children and families you may never meet and thank you for helping us kick off our next **25 Years of Miracles!**

Celebrating Miracles,

Amy Sumner, Program Director
Children's Miracle Network
