## ***Duro-Last® Roofing, Inc. Honors Nohava, Inc. With Golden Eagle Award***

SAGINAW, MICHIGAN---Duro-Last Roofing, Inc., a leading single-ply roofing manufacturer, honored **Nohava, Inc.** during the company's annual National Sales Seminar held in Daytona Beach, Florida, January 25-27, 2009.

In recognition of outstanding achievement in quality workmanship, customer satisfaction and annual sales in excess of \$2,000,000, Duro-Last welcomed **Nohava, Inc. of LeMars, Iowa** to the Golden Eagle Club.

**Nohava, Inc.** received this special honor during the 27<sup>th</sup> annual Duro-Last National Sales Seminar awards ceremony on January 27, 2009.

"Duro-Last is extremely proud of **Nohava's** accomplishments," said Duro-Last Chairman of the Board Jack Burt. "Over the years, our company has grown into one of the largest manufacturers of thermoplastic single-ply roofing systems. We have enjoyed immense success because of the quality workmanship, professionalism, and dedication of companies like **Nohava, Inc.**," Burt added. "We are very fortunate to have them as a contractor."

"Earning this prestigious award is a tremendous honor," said **Bryan Nohava, Owner of Nohava, Inc.** "Our company is truly grateful for this

recognition, and we look forward to many more successful years with Duro-Last.”

An authorized Duro-Last Contractor since 1999, **Nohava, Inc.** has installed over 9.2 million square feet of the thermoplastic single-ply roofing system on more than 1,000 projects. **Nohava, Inc.** has also earned the status of “Elite Contractor” for Duro-Last, which distinguishes those contractors who have demonstrated a history of quality workmanship as well as maintained excellent sales volume with the manufacturer.

With corporate headquarters in Saginaw, Michigan, and other manufacturing facilities located in Grants Pass, Oregon; Jackson, Mississippi; and Sigourney, Iowa, the Duro-Last roofing system has become known as the “World’s Best Roof”®. Perfect for flat or low-sloped roofs, the Duro-Last roofing system can be custom manufactured to a roof’s exact specifications.

Leak-proof, virtually maintenance-free, and energy-efficient, the Duro-Last roofing system also offers customers the best warranties in the roofing industry.
