Dear Mr. Nohava,

Enclosed is our payment for the Duro-Last roof system you recently installed on the 1914 portion of our main building. As usual, I heard comments from the board and superintendent that the work was done quickly and professionally.

We expect to see an inspector from Duro-Last here to check the roof as was done last time. We anticipate the warranty information will follow shortly thereafter.

Thank you for another job well done.

Sincerely,

A handwritten signature in cursive script that reads "Karen L. Oleson".
